388TH RANGE SQUADRON (ACC)
HILL AIR FORCE BASE, UTAH 84056

10 June 2008

To: Mr. Bill Hollowell
Demil Transport Specialists
P.O. Box R, 945 Pima
Gila Bend, AZ 85337

From: Col. James D. Reed, Colonel, USAF
Commander, 388th Range Squadron
Utah Test and Training Range
5948 Southgate Avenue, Suite 200
Hill Air Force Base, UT 84056

Subject: Target Residue Removal

We would like to take the opportunity to thank you for the outstanding work you have performed for the Utah Test and Training Range.

You have performed the DEMIL and Target Residue removal function at the Range Residue Recycle Yard on the UTTR for two years without incident. The material at the Range Residue Permitted Recycling Facility has been properly Demilitarized, made mill-ready and removed in a timely manner.

You have also performed a great service to the Air Force under Contract through BSE in the removal of a large quantity of target Sea Land Containers located at Granite Mountain, Dugway, UT. That work required you and your personnel to work 7 days per week, 12 hours per day. You have worked efficiently and safely, removing over 1,000,000 pounds of residue from that area, while saving the 388th RANS nearly a quarter of a million dollars.

Your professionalism and work ethic reflect highly on your company, your crew and your management skills.

Again, thank you.

Col. JAMES D. REED, Colonel, USAF
Commander, 388th Range Squadron
